

High Team Loses Two Hoop Games In Past Weekend

Wolverines Will Be Hosts
To Lovelock In Game
Here Saturday

The Tahoe-Truckee Wolverines accepted for their second and third conference losses as they dropped to the unbeaten Winnemucca Buckaroos by a 28-22 score and on Saturday night they dropped a heartbreaker to the Lovelock Mustangs in the last few seconds by a 43-41 score.

Friday night was a strict defensive game as both teams controlled the ball well and neither could hit from the field as the first quarter ended 6-4 in favor of the Wolverines but the Buckaroos came back to take the lead 12-11 at the half and at the final gun by 28-22, but the game was not decided until the last couple minutes as the Wolverines trailed by only a point or two, but in the last two minutes Cornforth and O'Carroll the big guns for the Buckaroos made two quick baskets apiece to sew up the victory. Cooper and Rickert were high for the Wolverines with eight apiece.

The team motored to Lovelock after the game where they stayed at a motel Friday night and Saturday. The Wolverines still unable to get their big guns unleashed lost a heartbreaker to Lovelock 43-41. The Mustangs led at the first quarter mark by a 14-9 score at the half by 21-15, but after the intermission the Wolverines began to take fire as they pulled ahead at the three-quarter mark by a 29-27 score.

The Wolverines led by the fine rebounding and all-around play of center Dave Rickert kept the lead until there was but two minutes left in the game but Gary Sparks and Moran began to hit from way out as they connected on three long shots apiece to go ahead of the Wolverines 36-41. The Wolverines rallied for five points, but the rally fell short at the whistle by two points as they lost, 41-43. For the Wolverines Rickert was tops with 13 followed by Wilson and Cooper with 10 each.

In the preliminary games the Wolverine Cubs split as they lost a heartbreaker to Winnemucca by a 35-32 score.

Saturday night the TnT Javves really caught fire as they trailed the Lovelock Javves 6-0 and then 6-5 as they ended the first quarter and then went into the lead in the second quarter and led at half time 29-18 and at the three-quarter mark 43-22 and at the final whistle by a 64-31 score for their second conference win.

Saturday night high man for TnT and the game was Osburn with 17 and J. L. Robinson with 16. Next action for both clubs will be a non-conference clash with the Reno Ramblers on Friday, February 1 and then Saturday night they will return to conference action as they host the Lovelock Mustangs in a return match which should be a real thriller.

AFRICAN SPEAKER AT LAKE ROTARY MEET

KINGS BEACH—Cliff Cuffin, a student at the University of Nevada and a resident of Johannesburg, Union of South Africa, was the principal speaker at Monday night's meeting of the Brockway Rotary Club.

He discussed his native land and drew comparisons between that and the United States. Cuffin is studying at the Mackay School of Mines at the university.

Supervisor Frank Paoli also spoke at the meeting presided over by H. E. (Pappy) Brooks. Leon Barker was program chairman.

LEGION OFFICIAL TO VISIT POST TUESDAY

George E. Fiene, first vice commander of the sixth district of the American Legion, will pay an official visit to Truckee Post No. 439, Tuesday evening, February 5. All local members are being urged to turn out for this meeting.

GREAT BOOKS CLUB MEETS FEBRUARY 13

The first meeting of the second year of the Great Books Discussion Group will be held February 13 at the Tahoe Lake Elementary School in Tahoe City.

At the January 23rd meeting the group voted to meet at Tahoe City for the first meeting of the month and the high school library in Truckee for the second meeting.

Jeanne Kessey and Aldo Cavallo will cooperate in leading a discussion of the Ecclesiastes.

BUILDING CODE TO BE TOPIC AT MEET

Contractors and sub-contractors have been invited to attend a meeting of the Nevada County Planning Commission on Tuesday, February 26 for the purpose of discussing a building code for the county. While no action is expected at the meeting, it is the wishes of the commission to determine the attitude of the builders and be guided by their proposals.

Precipitation Here Near Normal As Cold Predominates

The month of January produced just .06 of an inch more than its normal precipitation in the 63 inches of snow which fell, according to the U. S. Forest Service.

The total for the month was 5.94 inches while the normal is 5.88 inches. Truckee is only .39 of an inch below the seasonal normal with 13.75 the average being 14.14 to the end of January. There are 26 inches of snow on the ground here. Last year at this time there were 42 inches on the ground.

Cold weather, with sub-freezing temperatures for the past 10 days was reported by the forest service. The low for the past week was officially 14 below on Tuesday and the high for the week was 28 on Friday.

Mrs. Maude Gaffield at the Flycasters Club reported a low of 28 below zero on Tuesday.

Airport Plan Will Be Offered Board

The Nevada County Board of Supervisors Friday will be asked to approve a resolution favoring the Martis Valley location as an airport site and to appoint a commission to further plans for the development of a district.

Recommendation for such action was made at a meeting of the Nevada County Planning Commission Tuesday night when C. Edmunds, a member of the commission and chairman of the Truckee-Tahoe Airport Committee, presented plans for the creation of a local district.

Supervisor H. G. Loehr, said he would present the recommendation to the board and urge immediate action.

FROZEN LINE STALLS TRAIN ON CROSSING

While a Southern Pacific train crew and all available helpers battled to locate a frozen line which stalled a 97-car freight train on the Bridge Street crossing Tuesday morning, a score of more of school children and others shivered on both sides of the train in sub-zero weather.

The frozen line resulted in the crew's failure to release the brakes and it was not until a helper engine was attached to the rear of the cars that a break could be made to open the crossing.

Earl Stice, Truckee agent for the S.P., said the crossing was tied up for more than a half hour but that it took nearly an hour to locate and remedy the cause.

Stice expressed official apology for the unfortunate incident but said it was an emergency and unavoidable.

SWANSON ELECTED TO HEAD ROTARIANS

Richard Swanson was elected president of the Truckee Rotary Club at Monday's meeting held at Donner Lake Resort.

Since the club sponsors the Girl Scouts, each member purchased seven cans of mixed nuts being sold by the troop. The fund is used for camp purposes for the girls.

The club also is assisting in maintaining the skating rink which is attracting a large number of young people.

A make-up card was received from Charles Cross who is vacationing in Bermuda. R. R. Frank presided.

SCHOOL TO PROTEST ISSUANCE OF LICENSE

Superintendent John Corbin will represent the Tahoe-Truckee Unified School District Board of Governors at a hearing in Nevada City at 10 a.m., February 7 on an application by Bernice V. and Dan Redmond for a alcoholic beverage license of the Olympic Hotel on Bridge street.

The original application was denied by the state but the Redmonds appealed and asked for a hearing. The board bases its objection to the issuance on the fact that the hotel is too close to the elementary school, only half a block away and on a crossing used by the children.

In Capital—

Sgt. Frank Snyder and Highway Patrolman William Gautsche were official visitors at Sacramento this week.

Sportsmen Ready To Oppose River Closure At Meet

Delegation Expected To Be
At Commission Meet
February 22

With only three weeks remaining before the meeting of the California Fish and Game Commission at Sacramento where it will be determined just what action is to be taken on reopening seven miles of the Truckee River to all legal fishermen, local sportsmen are girding themselves for a factual presentation to regain the popular area lost last year.

Charles Osburn, vice president of the Truckee Outdoor Sportsmen, said efforts are being made to have a representative delegation at the meeting to present the local arguments.

Although there were many implied promises that if the local and visiting sportsmen would go along with the commission's recommendation to restrict the seven miles from Truckee to Boca to flycasters only, the ban on bait fishing would be lifted this year, there are indications that the commission does not plan to lift the restriction.

As an alternate, the sportsmen have suggested that any portion of the Truckee River from Hirschdale to the state line be used for "experimental" purposes and some have offered the proposal that the Little Truckee be used. However, there are divergent opinions and for the most part the sportsmen will ask that the former status of the area be restored.

No evidence has been presented to show the result of last year's restriction on the seven miles and while it might well be conceded that more fly fishermen used that section of the river later in the season, the "conservation" results are either unknown or being kept confidential.

It is apparent that the commission desires to keep the property of the San Francisco Flycasting Club within the area restricted to fly fishing, although officials of the club have denied they asked for or expected that action.

DICK BUEK WINNER IN SUMMIT SKI MEET

SUGAR BOWL—Dick Buek, 27-year-old American Olympic veteran from Soda Springs, Sunday won the annual giant slalom ski race down Mount Lincoln. His time was 2:11.3.

This was the first time the mid-winter race had been held on Mt. Lincoln, a new chair lift making it possible.

Winner of the women's event was a 15-year-old Olympic hopeful, Starr Walton of Sacramento. She is a member of the Sugar Bowl Ski Club. Her time was 2:27.3.

Behind Buek in the men's race were: Kip Schull, 17, Squaw Valley-Lake Tahoe Ski Club, Ole Quiberg, 17, Rubiyat Ski Club, Roseville, Mickey Hogan, Tahoe City, Tom Dempsey, Mammoth Mountain.

Doris Hauser, Sugar Bowl, was second in the women's race. Third was Pat Mast, also Sugar Bowl.

CUBS PLANNING POT LUCK SUPPER HERE

The February 25th Cub Scout meeting to be held at the high school will feature a pot luck dinner for the families of the boys, Robert Roth announced.

When Pack No. 7 met Tuesday evening, Charles Traynor led the flag salute before Steve Davis received his lions badge and John Sturke the wolf badge.

Eyes of the Sky was the theme for the month, the boys giving short talks on what they have learned of celestial bodies.

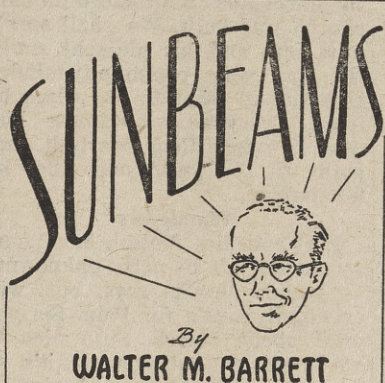

Courtney Lewis and John Sturke led the group in singing.

Recreation Specialist To Address Local Audience

Wayne Bartholomew, recreation specialist of the state recreation commission, will be present at a meeting to be held February 14 at 7:30 p.m. at the high school to discuss problems in creating a recreation program for this district. Anyone interested is invited to attend.

Relative Expires

Mrs. William Gautsche and son, Rolland, planned to leave today for Basin, Wyo., where her stepfather expired Tuesday.

WALTER M. BARRETT

There are apparently a lot of people who think that since the introduction of the Salk vaccine there is no longer need for the March of Dimes. How mistaken they are! There are thousands of youngsters depending entirely upon the good work of the national infantile paralysis foundation for help and thousands of others who have not yet had access to the preventive medicine. The March of Dimes is very much in need of help and only through your generous contribution can this help be given. We note the containers placed about town are not filling any where near as fast as they should and we are also advised that the drive is slowing down before it gets a good start. Your donation will help some helpless child walk again and if you can think of a better way to invest a few dimes, we would like to know what it is.

Spring is fast approaching and with its coming we may well expect an influx of people the like of which this area has never before witnessed. That brings to mind a very important item for consideration—our long-proposed zoning ordinance. We sincerely hope that within the next few weeks this important matter can be brought to a satisfactory conclusion. Its need becomes more apparent every day and without it we find ourselves in a rather embarrassing situation.

School Skiers In 2nd Place In Meet

The first official ski meet of the Sierra Nevada Interscholastic Ski Federation was held at Slide Mountain in the Reno Ski Bowl. Four teams were represented. Tahoe-Truckee, Auburn, Lee Vining and Reno.

Official standings at the end of the two-day meeting were Reno, 400; Tahoe-Truckee, 382.8; Lee Vining, 234; Auburn, 254.8 points.

In the giant slalom, blizzard conditions made it impossible, due to radio timing failure, to send the last six men over the course. To be able to have a team score in this event, it was necessary to give the top man of each team the best time of the day, so Kit Schull was forced to a four-way tie for top honors in that event.

Schull of Tahoe-Truckee, turned in the outstanding performance for the two days, with Rex Donaldson also a stellar performer by taking first in jumping. Schull took the giant slalom and cross-country. Donaldson jumped 79 and 82 feet.

In the giant slalom, Schull was first; Donaldson, 8th, Doug Ball, 9th and John Woods, 11th. In jumping Donaldson was first, Schull, 4th; John Woods, 12th and Gary Henry, 14th. In cross-country, Schull was first, Woods, 4th; Scott Gilmore, 11th; Bill Connors, 12th and Doug Ball, 13th.

LOCAL MAN'S FATHER DIES AT EAST HOME

R. R. Frank Friday received word of the death of his father, Ralph R. Frank, Sr., 65, at his home in Ashville, N. C. Death was attributed to a heart attack. The deceased is survived by his widow and one other son, Charles M. of Ashville.

TIME DRAWS NEAR TO GET CAR LICENSES

Counting today auto owners have exactly three and one-half days in which to pay their 1957 registration fees without penalties.

All fees become delinquent after Monday, February 4. For motorists who make payment in person at offices of the State Department of Motor Vehicles, at designated banks in some areas or at automobile club offices, the absolute deadline is at the close of the business day.

When making payment by mail, the envelope containing the fees must be postmarked not later than midnight February 4.

Added Fund Will Assure Work On Floriston Highway

\$1,800,000 Added To State
Fund For First Leg
Of Local Work

The California Highway Commission has voted Nevada and Sierra Counties, U. S. 40, \$1,800,000 to provide additional funds for grading, paving and structures from near Floriston to the Nevada state line, a length of 5.4 miles.

The budget for the 1956-57 fiscal year provided \$3,367,000 for this project. Bids for the construction were opened on October 31, and the low bid of the five received in the amount of \$5,180,910 exceeded the estimate of \$3,059,220.75 for contract items by \$2,121,689.25 or 69.35%.

The bids submitted by some of the contractors were discussed with them, from which it developed that they had given a great deal of weight to the restricted working space in the narrow canyon, to the anticipated extra costs in handling traffic, and to the construction hazards involved because of the adjacent power company fence and the Southern Pacific Railroad.

Because of the wide difference between the state's estimate and the contractors' estimate, all bids were rejected on November 14, and a thorough restudy of the project was undertaken, involving its design features, the handling of traffic, the cost estimate and the time limit for completion of the work. The project was scheduled for readvertisement the latter part of January.

MITES ARE HELD FOR PIONEER TRUCKEE WOMAN ON MONDAY

Rosary for Mrs. Hannah Clara Harvey, 85 years of age and pioneer Truckee resident, was recited in Sacramento on Sunday, following her death Friday. Requiem mass said in the Truckee Catholic Church at 10 o'clock on Monday, followed by burial in the local Catholic cemetery.

A native of Downsville, she was the daughter of William and Mary Ford Cory, who went to Sacramento from Ohio in a covered wagon about 100 years ago. Cory was a gold miner and also managed a restaurant and lumber business.

Mrs. Harvey was the widow of Irving; mother of Charles Harvey, Truckee; Mrs. Edith Hart, Petaluma; Mrs. Gertrude Forest, Sacramento; grandmother of two and great-grandmother of one.

LOCAL HOMEMAKER NAMED AT SCHOOL

Sonja Yvonne Schmidt has been named the Betty Crocker Homemaker of Tomorrow in Truckee.

She received the highest score in a written examination on home-making knowledge and aptitudes taken by graduating girls in Tahoe-Truckee High School.

Her examination paper now will be entered in competition with those of 333 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runner-up award in the state. For her achievement, she will receive an award pin designed by Trigari of New York.

Pot Luck For Dancers

The Donner Dancers will include a potluck supper before the dancing starts Friday evening at the Veterans Memorial Hall, according to Roger Stinchfield.

The supper will be served at 6:30 o'clock and a cordial invitation to take part in the evening's program is extended to all interested.

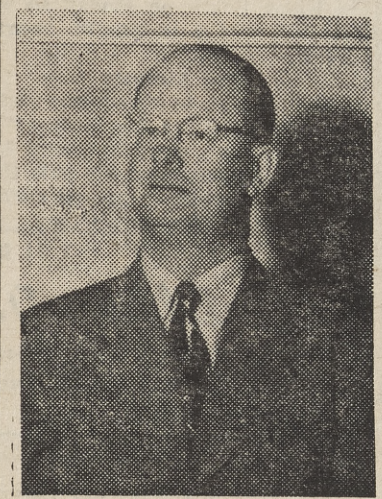

New Car Sales

New car sales reported this month by Osburn's Buick Garage include a new Buick Roadmaster to Mr. and Mrs. Hal Welch; a new Buick Super to Mr. and Mrs. Charles R. Heller; a new 4-wheel drive Willys Pickup to Gino Giovannoni and a new 4-wheel drive Jeep to Dr. L. D. Nelson.

In Oroville

Mr. and Mrs. Clarence Osburn and children were visitors in Oroville and vicinity during the week-end.

New Road Engineer

Alan S. Hart

Alan Hart Named As Trask Successor

SACRAMENTO—The promotion of District Engineer J. W. Trask of the Division of Highways to the position of assistant state highway engineer—operations in Sacramento, and the appointment of Alan S. Hart, now district engineer at Eureka, to replace Trask as the head of District III, with headquarters at Marysville, was announced today by State Highway Engineer G. T. McCoy.

Hart, who has been in charge of the District I office at Eureka since 1953, has had extensive experience in the District III area, where he served in various engineering capacities from 1930 to 1945.

A native of Santa Rosa, Hart received his early education in public schools at Sacramento, Gerber and Red Bluff. He is a member of the American Society of Civil Engineers.

Hart will assume his new duties in Marysville on February 28.

The position of assistant state highway engineer—operations, to which Trask has been appointed, replacing Earl Withycombe who will retire on March 1, has general responsibility for all construction and maintenance work on the 14,000-mile state highway system; for the procurement and maintenance of division equipment; and for materials research, in which California has been a pioneer.

Trask, who has been in charge of the Marysville office since early in 1956, has had extensive construction and administration experience.

TAHOE WOMEN'S CLUB NAMES NEW OFFICERS

KINGS BEACH—Officers were elected Monday when the North Tahoe Women's Club met for a luncheon meeting held at Crystal Bay Club, including Mary Skaggs, president; Icy LaBorde, vice president; Florene Klitzke, secretary; Dorothy Moore, treasurer. Fifty members and guests attended the session.

A most enjoyable event. The annual hat party will be coming up in February with plans now underway.

Rusty McGowan, who, with her husband Frank, spent some time there, gave a wonderful talk on Ethiopia, an interesting subject and speaker.

BOY SCOUTS PLAN FOR GOVERNMENT DAY

Senator Harold T. Johnson, general chairman of the Tahoe Area Council Boy Scout Government Day, scheduled to take place on Wednesday, February 6, stated that final plans for this event have been made. Senator Johnson also stated that various community chairmen had arranged a fine day in their local community and county whereby Scouts would take over the various city, county and state offices throughout the Tahoe Area Council during the day.

Senator Johnson announced that more than 500 boys and government officials will take part during the day on which the citizenship phase of Scouting would be emphasized.

Little On Vacation

R. N. Little left Sunday to spend several weeks in San Diego with friends and relatives in an effort to regain his health. During his absence, Mrs. Judy Thatcher will be in charge of Little's insurance and real estate office here, keeping in close contact with Little for the convenience of local clients.

Mr. and Mrs. Elmer Sadochich of Bakersfield were business visitors here last week.

Board May Make School Offices Of Old Building Here

Speedy Growth In Schools
Causes Concern In
Local Planning

The feasibility of converting the old Truckee High School building into offices and a storehouse for use by the Tahoe-Truckee Unified District is being seriously considered by the governing board.

Need for additional space is fast becoming a serious problem, it was pointed out by Superintendent John Corbin and at the last meeting of the board considerable discussion was given the plan to restore the old landmark.

Incidentally, the building and property remains the property of the school only as long as it is used for school purposes, otherwise it reverts to the estate of the late C. F. McGlashan.

Corbin pointed out to the board that this year's average daily attendance in the district schools is 107 over last year, a 16 per cent increase and that the growth is more pronounced each year, creating a housing problem which must be given early consideration. Estimates of the cost of conversion will be asked.

Cadet Corps Discussed

Another future possibility is the establishment of a ROTA cadet corps at the local high school. Corbin advised the board that such an addition might be advisable and declared that the government is willing to supply uniforms, guns, ammunition and other essentials. Students enrolled in the ROTA would be excused from the physical education classes. No action was taken.

Summer Schools

The board established a policy which required that teachers attend accredited summer school classes, approved by the superintendent to meet advanced classification requirements. No night courses, except on approval of the board or in-service training will be approved. Classifications on contracts and salary payments will be applied during the year following July 1.

Approve Pipe Line

The board signed an agreement permitting the Southern Pacific to run a pipe line under the athletic field for the purpose of transporting oil from the San Francisco Bay area to Nevada.

Raise Rate

To meet the necessary expense involved, the board upped the rental on the Take Lake School from \$600 to \$800 for the six weeks the property is used each summer for the summer session of the Sacramento State College.

Travel Shows Big Increase For 1956

Automobile traffic entering California through the Truckee quarantine station during 1956 exceeded the 1955 count by 40,435 cars, the report from the state department of agriculture shows.

During last year 499,660 automobiles, plus 42,371 commercial vehicles were checked at the local station, compared to 459,225 cars and 36,859 trucks during 1955.

Highway 50's totals also showed a marked increase with 171,246 cars and 4482 trucks inspected last year as compared to 143,330 cars and 3307 trucks during 1955.

December traffic figures at the local station showed more than a 40 per cent gain over December, 1955, the count being 20,234 cars during December, 1956, and 12,469 for the same month the year before.

Meyers on Highway 50 showed 5471 cars inspected last month as compared to 3052 for December, 1955.

INVITATION MEET ON SUMMIT THIS WEEK

SODA SPRINGS—The fifth annual Northern California Invitational Intercollegiate ski championships, co-sponsored by Sierra College and Modesto Junior College, will be held at Sugar Bowl and Cisco Friday, Saturday and Sunday. The downhill will be held on Friday at 2 p.m. on Mount Lincoln, the slalom on Mount Disney and the cross country at Cisco Saturday and the jumping at Cisco on Sunday.

Snow conditions for skiing are ideal throughout the summit area.

Opens Account Office

TAHOE VISTA—Jackson Brandt, III, has opened an accounting office at Tahoe Vista where he will conduct a general accounting and bookkeeping service, specializing in income tax returns. The Brandts came to Tahoe from San Jose and plan to make this their permanent home. They have one son in the Kings Beach school.

Has Operation

Harry Digesti has returned home after a week in Berkeley where he underwent a minor operation. While he was gone his father, Joe Digesti, a former Truckee resident, visited Truckee.

NORTH TAHOE

By JUDGE HARRY CHARRISON

March Of Dimes
A great big show will be on the menu Friday night at Crystal Bay Club where there will be singers and dancers and magic show and many other outstanding attractions. The March of Dimes program will be the prominent feature of the evening, this is the night when we must put the project over, and listen, the admission will be by donation only. You are invited by the management to be on hand for the fun of your life. For further information see Wiley Jones at the club. This paper is delivered in Kings Beach on Friday so we can tell you it is tonight, February 1.

Dog Licenses
Now, we go to the dogs. Have you applied for a dog license? If not do it now, as of February 1st, there is a penalty which puts the price to double. It is estimated

by the authorities that there are around 50 dogs in this vicinity without a license and dogs without same may be picked up and impounded then there will be howl go up, and it won't be the dogs, either. Just between you and I, the poundmaster informs me he will have trucks up here at any time now, so give your dog a medal.

Sickness
Very sorry to hear that Mrs. C. W. Vernon has been taken to the Providence Hospital in Oakland where she is going through a series of x-rays to determine the cause of her illness. We are all praying for the best, and hope there will be a lot of improvement very soon.

We Switched To Cools
Yes, I must tell you, this is Saturday, 1:30 p.m., the temp is 12 above and a little wind blowing and quite cool. From Thursday night we had quite a wonderful amount of snow but today it is clear, and a more perfect week-end for skiing could not be had.

The roads are good, that is if one drives with caution. The buses and cars through our area make it like a freeway, thank heaven it isn't.

Bereavement
It is with sadness in our hearts that we hear of the passing of one of our respected residents, P. R. (Bob) Murray, of the Tahoe-Estates in Tahoe Vista. Lately Bob and his good wife had been spending winters in Merced where he passed away, last year they traveled to Europe. They were both church-going people. Some few years ago Bob preached at services both in the schoolhouse and at the Carpenters Hall before the new church was built. We shall surely miss him and his pleasant smile. He was very community-minded and was an asset to any place he lived. Everyone who knew him wish to extend their heartfelt sympathy to the loved ones that he left behind.

Wanderers
Earl and Mrs. Nelson have gone wandering off to parts unknown, as Wanda Brooks says, but will eventually settle for Palm Springs until about March. Sure nice to see them go out because it's so nice to see them come back.

They're Back Too
E. E. and Mrs. Skeet Thompson are back after nearly a month's vacation.

Annual Affair
The Tahoe Biltmore Hotel is on the block again, and unless a mere quarter of a million is forthcoming, it will be auctioned off on the 15th of February of this year, according to a notice on the Washoe courthouse in Reno. Personally I hope the gentlemen that are running it now will be able to come out of the difficulties as they are nice fellows.

Back From Trip
Sam Faulkner flew to Washington, D.C., to bring his wife, Ruby, who had been there to visit with her mother, who has been very sick. Her mother is not very much improved, we are sorry to say. Mela Faulkner went to Reno to pick them up, which was a pretty tough trip, and the plane being way late had her worried, but they arrived safe and sound, and glad to be home.

Accident
Bill Watson and Skeet Thompson of Kings Beach had quite an experience last Saturday afternoon while driving this side of Eugene's Chalet on Highway 28. Two boys from San Leandro came round a bend at too great a speed and slid into the Watson car. Bill was not hurt but Skeet had a very light scratch. The car was badly damaged.

Antenna
Saturday, 9 p.m., temperature zero. Wow.

Home Again
Mrs. Bill Watson had her mother staying with them for a few days last week. Now I hear that Wally and Mary Skaggs are back after a wonderful jaunt all over the country some of the places visited was New Orleans, Iowa, Texas and winding up at Cathedral City, leaving there for dear old home. They got a real cool welcome from the weather, but a real warm welcome from their many friends.

Push 'Em Up
It was a real land office business for the garagemen last Sunday morning when approximately 50 cars had to be pushed or pulled to get started. The most amusing was to see a tow truck pushing a Greyhound bus along the street.

Family Arrives
Last week I mentioned that the P. L. Waters of the new Ceramic Manufacturing firm were here to stay. Now their son, Larry and young wife have arrived and will also make their home at Kings

KINGS BEACH COMMUNITY CHURCH NOTES

KINGS BEACH—The Women's Society of Christian Service of the Community M. E. Church held a successful bake sale at the Stop 'N Shop last Saturday and a sizable sum was realized for the benefit of the organization.

Rev. Harold R. Barnes, executive director of the Fred Finch Children's Home, an agency of the church, served as guest pastor last Sunday, speaking on Rebuilding Family Foundations.

The WSCS met Wednesday to carry on their study of "Mission USA." Mrs. Millie Chastain is president of the group.

The WSCS met Wednesday to carry on their study of "Mission USA." Mrs. Millie Chastain is president of the group.

TNT Tidings

By JUDE' COMMAGERE

Science Advances
Wednesday TnTers gathered in

the gymnasium to witness a "Preview of Progress." One of General Motors representatives, Raymond A. Borowiak, gave a demonstration of sciences' advances in rubber, sun energy and electricity.

Mr. Borowiak's presentation held the interest of the TnTers throughout the assembly.

Mr. Roy Baker

TnTers would like to recognize Mr. Roy Baker, our librarian. In the line of education Mr. Baker has attended Ball State Teacher's College for two years, Colorado College of Education, University of Denver and earned his AB degree. Just before he was employed at TnT, three years ago this November, he worked at Washington State Library and in Denver. During his interview with this man, he brought out many interesting facts. The purpose of a library is "the dissemination of knowledge." The work of a librarian comes under three main titles: (1) to acquisition material, (2) to process, (3) to distribute material. Mr. Baker has a great interest in building the knowledge of TnTers. This is his first experience as librarian in a community such as ours. TnTers owe Mr. Baker a great deal for the smooth running library, which shelves of books are constantly expanding and for his heartfelt in-

S. F. BOARD URGES OLYMPIC FACILITIES

The San Francisco board of supervisors is among California organizations supporting the ad-

interest in the students, TnT, and our community.

Undeclared!

The Wolverettes added another victory to their undefeated season, when they won over Fallon, Saturday night, 35 to 21. The games yet to be played are Stewart, Yerington, Fallon, Manogue, and their biggest rival, Douglas. Several of these are home games, so don't forget to attend.

Report Cards

Three bell rang, seventh period, Wednesday, signifying report card time. Linda Loynd, Nikki Ann Wing and Carol Street, lead the senior class with a straight "A" semester grade. One semester to go and the seniors will complete their 12 years of schooling, then they will come face to face with that "talked about future."

TRUCKEE TIDBITS

By SWANEE
(Phone Truckee 188)

Princess Grace of Monaco and her Prince have nothing on our family although we do not hail from royalty! Their little daughter arrived on Wednesday and our little girl, six pounds four ounce

tional fund required to make Squaw Valley a permanent state park. At the meeting this week, the board unanimously voted to ask the legislature to approve a bill to appropriate the additional \$2,900,000.

Supervisor Eugene McAteer, whose son was a patient for some time at the Tahoe Forest Hospital, remarked that he had heard there was opposition to the project in the Lake Tahoe area, but said he thought "this is a wonderful opportunity for California and skiers are enthusiastic for it."

Pamela Doyle Baker, daughter of son Jim Baker and wife Betty of Tahoe City, made her appearance in Berkeley at quarter past midnight on Sunday, January 27. Jim made a flying trip from Dodge Ridge Resort, where he is winter sports director this season, arriving shortly before Dr. Stork. Betty and baby are doing wonderfully, according to last reports.

And now that the news has been published in Sunday's papers, I can mention the big Dodge Ridge "Mother Lode" races, scheduled there for February 16 and 17 which marks the first time in the local history of skiing that good old Uncle Sam's greenbacks will be awarded as prizes to winners in the Class A and B giant slalom which is open to men and women alike. The big "open class race is restricted to men only and is expected to draw skiers of the caliber of Christian Pravda and Stein Eriksen, whose mantles have long ago overflowed with cups and trophies and such, and who would not be adverse to this form of compensation. Winners in the Class A and B racers who wish to maintain their amateur rating will be awarded snowflake medals. First prize will be \$600 cash; second prize \$300; third, \$200; fourth, \$100, and fifth through twelfth, \$50. Luggi Foeger, Yosemite's ski school director, one of the outstanding course setters in the country, will set the tricky course. Jim reports snow conditions at the resort "excellent." Due to recent heavy snowfall and the management anticipates an entry list of the nation's finest competitors. And now that the news is out I can at least repeat the "scoop" I have known about these past three weeks, but couldn't mention!

Real progress was achieved at the meeting last Thursday night at Smart's when a small group met to attempt creation of a workable recreation plan for the high school teen-agers. Present were Sergeant and Mrs. Frank Snyder, Mrs. Dorothy Rose, Mrs. Victor McLane, Mrs. Ruth Kolos, Russ York, Deputy Emery Lander, Rev. Wesley Osman and Eve Hallett, who was appointed publicity chairman.

The decision which will facilitate the proposed program for the youngsters was to split the classes. Sergeant and Mrs. Snyder agreed to take charge of the 10th, 11th, and 12th graders with an assist from Stan Drakulich and Father O'Neill. Rev. Osman, Mrs. Rose and Mrs. McLane will assume charge of the 7th and 8th graders, and the 9th grade students will be given their choice of joining either group.

The local service clubs, Rotary, 20-30, Wyethia and the American Legion wereto be requested to appoint four members each, one of whom would be available to attend the meetings of the group. Sergeant Snyder was appointed to secure an amplifier to be installed at the ice pond for skating music, and anyone versed in fancy figure skating is asked to volunteer some lessons to the teen-agers. Since the ice pond appears to be the chief source of attraction help is requested in shoveling off

New Standard petrochemical has an exciting place in your future

Hundreds of thousands of man hours in research produced these crystals that will revolutionize many paints and plastics.

HOUSE PAINTS THAT LAST YEARS LONGER, superstrong light-weight luggage, improved fibre-glass fishing rods and boats . . . these are some of the things that will come from Isophthalic*, a new petrochemical from Standard laboratories. Even though its possibilities have only begun to be explored, we have invested in a multi-million dollar plant to make Isophthalic.

We're convinced it will make as important a change in your life as detergents, wrinkle-resistant fabrics and other modern wonders whose basic materials were products of Standard research.

Progress in the West means . . .

plentiful raw materials
for 3000 new
manufacturing firms
by 1965

Standard's economists say:
"New products from Isophthalic will help provide employment for the 600,000 new workers in manufacturing the West will have by 1965."

*Manufactured and distributed by Oronite Chemical Company, a wholly owned subsidiary of Standard.

STANDARD OIL COMPANY OF CALIFORNIA

plans ahead to serve you better

Tahoe-Truckee School District News

TAHOE LAKE SCHOOL
First and Second Grades: (Teacher, Solveig Beavers.) In the first grade we have started a new green Number Book. We have already learned two ways to write an addition problem.

In the second grade we have been making new words from sounds.

Third and Fourth Grades: (Teacher, Lillian Farr.) The study of coal was reviewed and evaluated by Karen McBride for the third grade. Diagrams of the beginnings of coal were made by the class.

The third and fourth grades evaluated the discussions during the PTA panel.

Fifth and Sixth Grades: (Teacher, Helen Rauscher.) The fifth and sixth graders were carried away by the lyrics of the musical "South Pacific" to the distant South Sea Islands.

The class bid a sad farewell to fifth grader Sheryn Abrahamian. Sheryn moved to Reno with her family.

KINGS BEACH SCHOOL
Kindergarten and First Grade: (Teacher, Elrose Knudsen.) The following first graders read the story of the "Little Red Hen" to the class: Jay Bisio, Mike Cook, Ann Felte, Jan Jensen, Greg Pope and Janice Wing. After reading the story, these children made a mural for the room.

Pat Cinani brought a selection of records to share with the class. Nat Palmer had a birthday last Thursday. Nat is now six years old.

Shari Decker returned to school after a trip to Sacramento.

Second and Third Grades: (Teacher, Katherine Wing.) We want to take this opportunity to thank the auxiliary through the Veterans of Foreign Wars for the flag etiquette booklets they donated to every boy and girl in our room.

Our class won the thrift banner for having the most depositors this week.

Kenny Kammerer's mother, Mrs. Beverly Newell, brought Kenny's baby brother to show our class.

Martha DeGregorio went to Reno with her parents Thursday.

Beverly Bergman joined the beginners class of skiers this week. Carl Christiansen was absent due

to illness Thursday.
Bruce Templeton brought a bronze medal of a Brontosaurus. Third and Fourth Grades: (Teacher, Dorothy Corbin.) Robert Axelson brought an elaborate Arabian head dress to school this week.

Amy Arndts was operated on Tuesday in the Mercy Hospital in Reno. She will return to Kings Beach this week.

Terry Boatman was ill several days with a bad cold.

Arthur Waddell had a birthday party last Saturday. He invited all the third and fourth grade boys to his party.

Fifth and Sixth Grades: (Teacher, Raymond Bisio.) Skiing lessons at the school are progressing at a very good pace.

Settlements along the Oregon and Santa Fe trails are growing nicely. As part of the work on social studies the children are constructing villages out of paper and wood to represent these old settlements.

DONNER TRAIL SCHOOL
Kindergarten, First and Second Grade: (Teacher, Jeanne Kessey.) The primary grade children at Donner Trail School are finishing their stuffed pet animals.

Linda Hensley has a brown dog; Lynn Aro has a black horse with black mane and tail of yarn; Debby Zorich has a yellow kitty with a red bow; Rowena Bailey has a blue kitty with a green tie; and Eddie Timmons has a yellow dog.

Nancy Burchfield decided to make her kitty with paper mache and has painted it black.

Richard Bartuccio has been getting excellent grades in the second grade spelling tests, while Linda Hensley takes highest honors in reading comprehension tests.

A first grader, Nancy Burchfield, has read several of her favorite stories to the class.

Kindergarteners Joe Merica, Dennis Hampton, and Ronnie Heckle were proud to take home their number papers, showing that they recognized different numbers up to 10 and matched them with different groups of objects.

Third, Fourth, Fifth and Sixth Grades: (Teacher, Robert Bailey.) The class club has voted in favor of purchasing individual caps and pennant for the school. White and gold have been selected as a school colors.

The spelling bee contest has aroused a great deal of interest. Several students are studying hard in order to be selected for try-outs. These include Candy Board, Patsy Burchfield, Albert Eberhardt, Tommy Tirkeldson and Ricky Schull.

Individual reports, drawing and experiments are being made. Leonard Watts and Bruce Bailey are working on a telephone. Carl Shusky is making a thorough report on sound. Albert Eberhardt has done a fine drawing and report on the six simple machines.

TRUCKEE ELEMENTARY
Kindergarten: (Teacher, Dee Osborn.) Our dramatization this week was the story of "The Fix-it Man" and it was very well done.

Skipper Close was Mr. Fix-it. Sandra Davis was the woman with the broken umbrella. Michelle DeLisle owned the scissors that would not cut; and Mary Lou Randall the sewing machine that would not sew. Bruce Leamon was the boy with the broken lawnmower, and Monte Neugebauer the woodsman with the dull axe. David Goldsmith was the farmer whose tractor would not run and the fishermen with holes in their nets were played by David Capel, Michael Bellotti and George Franceschini. Finally, it was Steven Maynard, the bear with the broken claws, that befriended the little Fix-it man when the winter storms began.

First Grade: (Teacher, Helen Camp.) Those from our room taking part in the ski program are

Bill Cardinal, Henry Frates, Bill Rose, Michael Davis, Susan Schuler and Chris Kumble.

First Grade: (Teacher, Ruth Croxen.) In our weekly test in addition facts, the following people had no more than one error; John Clarke, Bruce Ayala, Rosa Pinedo, Diane Patterson, Pamela Horman, Kenny Gretthauer, Bobby Goldsmith, Kathie Hart, Tommy Roma, Beverly King, Jerry Neugebauer, Michael Kydd, Linda Russell and Bruce Fitzsimmons.

We are sorry to have Beverly King leave us to move to the bay area.

Second Grade: (Teacher, Helen Trask.) In science we are making notebooks containing pictures and stories about things we see in winter.

We are sorry that Sandy Miller is sick.

Third Grade: (Teacher, Arelene Roth.) We were glad to have Doug Nelson back in school today. He has been in Los Angeles with his

mother.

One of our reading groups has enjoyed reading their stories as plays. Members of the group are: Kenny Hensley, Dennis Richards, Eileen Olson, Karen Walker, Mark Moore, Gilbert Hernandez and Courtney Lewis.

We were sorry to have Heidi Euer leave. She moved to Sacramento. Our class now has 36 boys and girls.

Fourth Grade: (Teacher, John Stever.) At various times during the week the fourth grade pupils received recognition for achievement to date. Receiving outstanding grades in both social studies and spelling were Judy McGwinn and Marcia Leamon. For showing the greatest improvement since the beginning of the school year, one boy (Gary Jensen) and one girl (Wilana Curran) gained recognition.

Perfect attendance records during the quarter were established by Nancy and Tommy Barth, Teddy

Daniels, Gary Jensen, Marcia Leamon, Judy McGwinn, Jimmy Roth and Wade Mosby.

As a challenge to their ability and as a record for accepting the responsibility of good students, Wade Mosby, Judy McGwinn and Marcia Leamon received permission to undertake a research project at the library.

Routine lunch and card assignments were cared for by Gary Sturcke, Peggy Berger, Linda Banyard, Greg York, Dave Fordham and Donnie Thomas.

Fifth Grade: (Teacher, Olia Tiff.) Robbie Kaspian, Dick Ingals, Steve Besio, Ronald Brown, Jimmy Randall, Leilani Braasch, Dianne Cardinal, James Hamilton and Evelyn Hintz read their original stories to the class.

After receiving report cards Monday, each pupil evaluated his own. Those having unsatisfactory discussed with Mrs. Tiffie why they received them and how they could improve.

Robbie Kaspian, Steve Besio, Liane Kay, Dianne Cardinal, Maria Marin and Carolina Urbina have been leaders in the physical education period this week.

Sixth Grade: (Teacher, Ruth Roberson.) Mrs. Roberson, teacher of sixth grade, has been ill. Mrs. Doyle has been taking her place.

The sixth grade class have been learning more about different fractions.

We had an election for president about two weeks ago. Kenneth Lloyd is president; vice president is Jaquelin Fuentes; secretary-treasurer is Sheryl Swauger.

NOTICE! BOAT OWNERS

In accordance with provisions of the Revenue and Taxation Code Part 4, Chapter 6, Section 3105, it is mandatory that annually as of January 1, every owner of a boat or boats operated within the Inland or Territorial Waters of this State shall register his boat or boats with the Assessor of the County.

To facilitate registration forms for registration will be mailed from this office upon request, or can be obtained at Justice Court, Truckee.

Mr. and Mrs. Lee Van Wetter who recently lost their home by fire in Squaw Valley have written that they are living at Oakland for the present, probably for at least three months or until the time the snow clears enough to start building in Squaw Valley.

Mr. and Mrs. P. M. Burroughs are settled in Hemet for the winter, where Thelma writes that they can look out of his window and see the majestic snow-capped mountains 25 miles away but at the same time can enjoy the 70 degree temperature on their patio and watch the budding flowers and trees. Reading Judge Charrison's column reminds them that there is no place like the Lake Tahoe area.

The world used more coffee in 1956 than ever before in history—an estimated 4 1/2 billion pounds.

STRICTLY STRICKLAND

By Bill Strickland

Dick Buek proved once again, over the weekend, that he is still one of the finest competitive skiers in the United States. Of course, the proof of his ability is evident from his spread of six second over the second place runner in the DHO of Wengen held last weekend at the Sugar Bowl. We have a terrific amount of admiration for the man, and certainly delight in giving full credit to an unquenchable spirit, ability and desire to win. In the same race Kit Schull came mighty close to coming of age by capturing second place just ahead of last year's top junior skier, Ole Qui-bert, of Roseville's Rubiyat Ski Club. In the Class B group, Mickey Hogan is still showing his potential caliber by taking first place with a very comfortable margin. And, the Mickey came to a complete stop at one point because of a touring non-racer being in his line of flight. Mickey's brother, Dennis, competing for the first time as a Class B skier, argued with a tree on the way down. Needless to say the tree had the better part of it. Ronnie Rau skiing Class B had a very satisfactory fourth. The two Hogn brothers and Ronnie, we believe, are the finest potentials in the West for the 1960 Olympic

The public is cordially invited to attend

Willy Schaeffler Heads University Ski School

Willy Schaeffler, who last summer spent considerable time laying out runs and lifts areas for the Squaw Valley 1960 Winter Olympics, is now teaching skiing at the University of Denver. The most recent issue of Life magazine devotes many pictures to Schaeffler and his teaching.

team. We also believe they will win gold medals in the men's division for the United States for the first time in winter Olympic history. Time will tell, so keep your eyes on these lads. They're your mountain top neighbors, you know!

Hey! How about that Dodge race for M-O-N-E-Y? Money that is. That's quite a gimmick, we must agree, but wouldn't anyone who competed against, or as an amateur in the same race, just by being in it, disqualify himself permanently for an amateur status? I'm remembering the Wee Santee case in which the AAU stated that anyone racing against Mr. Santee would automatically be disqualified and would lose his amateur standing. That's quite a penalty against the competitor if he doesn't know what might happen.

Donner Summit Lodge enjoyed the presence of 70 girls from the Notre Dame College of Girls of Belmont this past weekend. This is the second year their school has made this trek, and will, we understand, be an annual event from now on. The Soda Springs ski school staff also were guests for dinner on Saturday night, along with their wives, for a very enjoyable get-together with 14 instructors and instructresses, it turned out to be a real sizeable group of 28.

Letter to Editor

DEAR EDITOR:

A very important and vital force in helping to keep Tahoe-Truckee High School's activities, both social and educational, before the public is a cooperative local newspaper editor. The philosophy of the Sierra Sun must be one that embraces the idea that people who are aware of what is taking place in a school are better equipped to judge for themselves the learning situations that occur in that particular school.

All news releases that are sent by Tahoe-Truckee High School along with those of the elementary schools are published. Whether our material deals with extra curricular activities or that of the classroom is not the determining factor in deciding to publish the information, the guiding principle seems to be what happens in the school is of news value to all the citizens in as much as the progress of this great country is dependent upon the fullest development of each individual's interest and capacities.

Your newspaper is performing a valuable service in printing our accomplishments for the appraisal by the public. Tahoe-Truckee High School wishes to salute you and thank you.

Sincerely,
C. W. SCUITTO

FULL-TIME JOB

The best drivers are those who go year after year without any accidents; they treat the job of driving with respect. Driving safely requires your full-time attention to the road ahead and to traffic conditions, says the California State Automobile Association. Don't be a "part-time" driver.

The Albert Langs have recently moved from Tahoe City to Fresno.

TRUCKEE, CALIF.

WATER METER READINGS

The attention of all Water Customers of the District is drawn to Rule 11, Paragraph 2, of the Rules and Regulations of the District which reads as follows:

RULE 11

2. Due to winter conditions, it may not be possible to read meters during certain months of the year. In such event the monthly bill rendered will be based upon an estimate of consumption as indicated by the customer's prior use during the immediate past three months or upon a reasonable estimate made by the District in comparison with the use of other customers receiving the same class of service during the same period.

At such time as the District may again read the meter, any excess water indicated over and above that already billed will be charged for on the next bill.

Any water charged for over and above the minimum and not indicated by the meter shall be credited to the customer's account.

(W) RECKLESS

Are you a reckless driver or a wreck-less one? A little courtesy behind the wheel is often the difference between a good and a bad driver, reminds the California State Automobile Association. Try a little courtesy and see if it doesn't keep you "wreck-less."

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday was 6227.73 feet with 250 cfs of water leaving the gates. There were 28 inches of snow on the ground. Temperatures ranged from a chilly 2 to a high of 26 for the week.

the snow from the ice following storms. (Teenn-agers, line up to the right.) and an earnest plea is made to leave all dogs at home. And one last admonition, whether adults or youngsters, the last ones to leave the pond are urged to turn off the lights.

The advisory group meets again this week to perfect plans for future operation of the Recreation Club and a dance which will be their first project.

Was a guest at the Wyethia Club's meeting at Brown's Cafe on Thursday noon last, and truly enjoyed the tasty luncheon, and meeting again many old friends. Mrs. Edith Welch conducted the business session. Twenty members and two guests attended. Some discussion followed regarding the teen-age group which recently formed the new High Sierra Recreation Club for students of the Tahoe-Truckee Unified School District. Mrs. Gladys Pedley suggested that an innovation in this area would be a "drag strip" for the boys, with a possible location at the old airport. Some of the ladies thought this sounded too dangerous, but Mrs. Pedley, who is California state safety chairman, ex-

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

Panel Held

The four teachers of our school have every right to be proud of their school children. The PTA panel was a fine success. The youngsters showed real thought and gravity in their opinions on questions which ranged from curriculum to discipline to recreation. The youngest representative, Lynn Harber, brought the house down with her description of the value of skiing lessons. "You learn how to cooperate your feet!"

Mrs. Bob Hewitt is the new secretary of the PTA taking the place of Mrs. Armen Abrahamian.

Book Club

The second year of the Great Books discussion will begin next month. A change in place should be noted because it may make it possible for more lake residents to take part in this group. Anyone interested is most welcome. The only requirement is that you will have read the "assignment." The meetings are held twice monthly on the second and fourth Wednesdays of the month. The second Wednesday's meetings will be held at the Tahoe Lake School and the fourth, as formerly, in the Tahoe-Truckee High School Library.

To Fresno

The community will miss Mr. and Mrs. Albert Lang and their little son, Dwight, who have moved to Fresno. Dorothy Lang has been cooking at the school until her departure. Mr. and Mrs. Wendell Dunn of Jay's Drugs, have bought the Lang home and have already moved in. Alice Dunn has started a 4-H group for all interested school children and already the talk of 4-H cookery is one of the most popular subjects on the schoolground.

Palm Springs Visit

Mr. and Mrs. A. A. Snyder have gone to Palm Springs for a short stay.

New Postmaster

Betty Pomin is the new postmistress of her home postoffice, Tahoe Pines. She is replacing A. R. Matcham who served as postmaster for six years. Betty has had to go to St. Mary's Hospital in Reno this week, where sorry to say, during her absence her husband, Joe, is attending to Uncle Sam's mail.

Returns Home

Mrs. Ethel Joslin Vernon returned from her hospital stay in Oakland this week. Her husband, C. W., who remained with her during her stay there, drove her home.

Cubs Meet

The monthly pack meeting of Tahoe City's Cub Scout dens was held Wednesday night. Cubmaster Chris Burner acted as master of ceremonies. The theme of the month was "Eyes in the Skies" and both clubs gave delightful skits on their studies of the stars and planets. Much credit must go to both Mrs. Chris Burner and Mrs. George Day for their work with these boys. Plans were made for the annual Blue and Gold pot luck dinner which will be held at the February pack meeting.

Best Beard

Among the prize winning beards at the Rotary Club's ladies night dinner dance were Ken Steddom who won a prize for the best beard. A guest, Wendell Dunn, won a prize for the least beard. A Schick razor was presented to him which he promptly auctioned back to the club. Ralph Bly garnered a bottle of clorox to take care of his winning in his class the worst beard beard. The next meeting will be a dinner meeting as usual at Bech-

plained that there are over 200 of these "strips" in California and all activities are strictly supervised and she had heard of no injuries to students participating. The Wyethia Club voted to hold a card party on February 14, Valentine's Day, details of which will be made public later.

Mrs. Gladys Pedley, California state safety chairman, left on Monday to attend the traffic safety seminar being conducted by Northwestern University of Chicago. Thirty-five members from all over the country attended. The seminar is being held at the University of California at Berkeley, and Mrs. Pedley will be rather busy during her stay as the state board of the California State Federation of Women's Clubs is meeting at the same time in San Francisco on Wednesday, Thursday and Friday.

On Thursday night state chairmen made their reports following dinner, to Mrs. Pedley, outlining what progress they had made in the field of safety in their areas. The state chairman sends out a safety program the first of each year, supplemented by additional bulletins every six weeks.

Rev. and Mrs. Wesley Osman returned home from a most enjoyable vacation on January 10. They visited with his brother, Curtis Osman, and family in Long Beach, also with Mrs. Osman's relatives, her brother-in-law and sister, Mr. and Mrs. Ted DeLapp, and family, of Polson, and her parents, Mr. and Mrs. Lloyd Austin of Placerville.

HOTEL BILTMORE IS IN FINANCIAL TROUBLE

RENO—The Tahoe Biltmore Hotel at Crystal Bay, Lake Tahoe, will be sold at public auction on February 15 unless obligations amounting to more than a quarter of a million dollars are satisfied by that time.

A notice of sale, posted this week at the Washoe county courthouse, indicates Cal Neva Lodge, Inc., which granted deeds of trust in 1953 to guarantee payment of two promissory notes totaling \$390,000, has defaulted.

Joseph Greenbach, a San Mateo, Calif., realtor listed as payee in the notes and beneficiary in the deeds of trust, gave notice of default and his "election to sell."

The plush Lake Tahoe hotel and casino has been in financial difficulty most of the time since it was built in 1948. Four years after it began operation the Reconstruction Finance Corporation ordered the hotel sold at auction to recover \$366,000 the agency had guaranteed on construction loans.

dolt's Tahoe Inn.

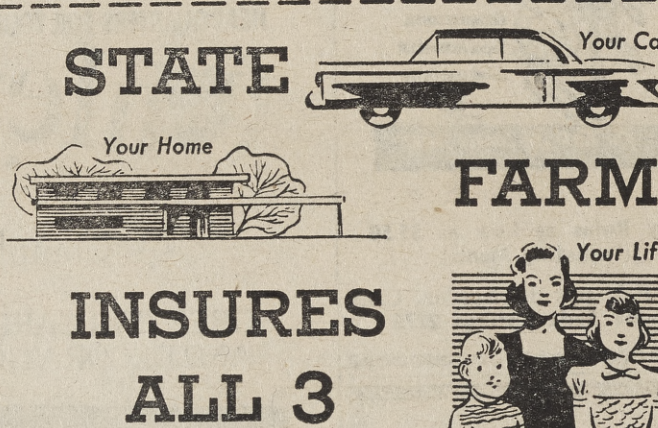

Inquiry

I should have mentioned earlier when speaking of PTA that it was decided to get out a circular asking the parents of our district what they thought of a more extensive program for our children and of what it should consist. Some of you do not yet have children in the schools and so will not receive this form. If you have an opinion and would like to describe what sort of music you have in mind feel free to write to Mrs. Lillian Farr, principal of Tahoe Lake School or to Mrs. Mabel Neilsen, president of the PTA. Hope it will be warmer next week!

Wilson's Visit—

Mr. and Mrs. Douglas Wilson of San Jose met local friends while skiing in the area during the weekend. Wilson formerly taught school here.

Army Guns To Aid In Avalanche Work

The United States Forest Service will receive a valuable assist in avalanche control from the Sixth Army installations in California and Washington through the loan of five 75mm recoilless rifles and the training of forest service crews to operate the weapons.

Testing of the rifles and development of the best methods for their use will be carried on at Squaw Valley in the Tahoe National Forest under the supervision of Montgomery Atwater, forest service avalanche expert, and in cooperation with the Organizing Committee of the 1960 Winter Olympics.

The rifles will be used to trigger the release of unstable snow masses which become a serious hazard to the growing number of people flocking to alpine slopes on national forest lands.

Hand placed explosives and artillery pieces have been used successfully for a number of years by the forest service to shoot down avalanches at chosen time, thus keeping the slopes always stable and safe. The recoilless rifles have the advantage of being light and easily moved about, with the accuracy needed by the snow rangers.

Ice Skating Party—

An ice skating party was given on Sunday by Mr. and Mrs. Russell York in honor of their daughter, Kathleen, who celebrated her birthday on Tuesday of last week.

CARD OF THANKS

We would like to express at this time our very sincerest and deepest thanks for the wonderful job which the Tahoe City Fire Department did in trying so hard to save our home in Squaw Valley, and also all the wonderful efforts of our marvelous neighbors who did so much for us, also for their kind hospitality.

Lee and Jeanne Van Wetter

SCHOOLS REWARDED IN DIME MARCH DRIVE

KINGS BEACH—Mrs. Pearl Moore, president of the VFW Auxiliary has awarded prizes to the Tahoe Lake and Kings Beach schools for their participation in the March of Dimes.

The class of Mrs. Rouschers at Tahoe Lake collected \$12.31 of the school's \$36.81, to take first place while the class of Mrs. Corbin at Kings Beach collected \$15.90 of the \$36.75 contributed. Games for indoor play were the prizes given.

The auxiliary extended its thanks to the children as well as others who helped in the project.

Golfing—Frank Gaiennie, Carl Bechdolt, Ange Besio and Elden Tonini were golfing at Sacramento Sunday.

CARD OF THANKS

The expressions of sympathy given us during our recent bereavement will always be gratefully remembered and we wish to convey our sincere thanks to all of our friends.

Charles Harvey,
Mrs. Edith Hart,
Mrs. Gertrude Forest.

NOTICE

On and after this date, I will not be responsible for any bills contracted by anyone other than myself.

Tarzan

by EDGAR RICE BURROUGHS

THE APE-MAN BADE HIS FRIENDS FAREWELL, THEN WATCHED THEIR SHIP SAIL FROM THE HARBOR--

NOW TARZAN STROPE THROUGH PORTUGUESE LUANDA. THE CITY WAS INTRIGUING, YET HE WAS ANXIOUS TO RETURN TO THE JUNGLE.

SUPPENLY, HOWEVER, FATE INTERFERED. A PIERCING SCREAM ECHOED DOWN A LONELY SIDE STREET!

ALERTED, THE JUNGLE LORD WHEELED ABOUT TO SEE A DRUNKEN CREOLE ASSAULTING A PRETTY GIRL.

WITH A GUTTURAL SNARL, TARZAN LEAPED FORWARD AND SLAMMED A POWERFUL FIST INTO THE BRUTE'S FACE!

DICK VAN BUREN
JOHN CELARDO

THE HALF-BREED'S EYES GLEAMED WITH HATRED. HE UNSHEATHED A VICIOUS MACHETE AND CHARGED. "SWINE!" HE BELLOWS. "I'LL CUT OFF YOUR WORTHLESS HEAD!"

DEAR READERS—THIS INCREDIBLE INCIDENT WE ARE ABOUT TO REPORT REVEALS A LITTLE KNOWN CHAPTER IN THE HISTORY OF OUR CURRENCY. NATURALLY, NAMES HAVE BEEN CHANGED TO PROTECT THE INNOCENT.

EVERYTHING'S CHANGING—WHY NOT OUR MONEY?? I SAY THE TIME IS RIPE TO CHANGE THE FACES ON OUR BILLS!!

CHANGE (GASP) THE FACES ON OUR BILLS!!

I MEAN NO DISRESPECT TO THE GLORIOUS GENTLEMEN WHOSE FACES NOW GRACE OUR BILLS. BUT THEY WOULD HAVE BEEN THE FIRST TO RISE UP AND SAY...

...PROGRESS IS THE SPUR OF OUR ECONOMY! OFF WITH THE OLD AND ON WITH THE NEW!

THE SENATOR HAS SOMETHING THERE!

HERE ARE MY RECOMMENDATIONS FOR THE NEW FACES ON OUR BILLS. FOR THE ONE-DOLLAR BILL—NONE OTHER THAN MELVIS CHESNEY—AND WHO CAN DENY HE IS A HERO TO MORE AMERICANS TODAY THAN DAVY CROCKETT WAS IN HIS GLORIOUS PRIME!

ABSOLUTELY CORRECT! MY TEEN-AGE DAUGHTER GOES TO SLEEP EVERY NIGHT LISTENING TO HIS RECORDING OF (UGH!) BLOODHOUND!

AND TO GRACE THE FIVE-DOLLAR BILL, I STRONGLY URGE CONSIDERATION FOR MYRON MYOPIC—THE ONLY MAN IN THE NATION WHO HAS NEVER SEEN A TELEVISION PROGRAM TO ITS COMPLETION!

Tm. Reg. U. S. Pat. Off.—All rights reserved. Copr. 1957 by United Feature Syndicate, Inc.

AN ASTONISHING FEAT! ONE THAT DESERVES MORE THAN THE DISTINCTION OF APPEARING ON THE FIVE-DOLLAR BILL!

WHAT WILL POWER, WHAT NERVE—WHAT (SIGH) SENSITIVE TASTE!

FOR THE TEN-DOLLAR BILL—MABEL WOLFWHISTLE—SHE'S MERELY VERY BEAUTIFUL! ARE THERE ANY OBJECTIONS TO HAVING HER ON THE TEN-SPOT?

WHO WOULD (WHISTLE) BE THAT BIG A FOOL?!

ONE LONG WOLF WHISTLE FOR (DROOL) MISS WOLFWHISTLE!

UNBELIEVABLE? WAIT UNTIL WE GET INTO THE HIGHER DENOMINATIONS!

SCHOOL PSYCHIATRIST

IN OUR PROGRAM FOR THE WELL-ADJUSTED STUDENT WE RECOMMEND RELAXING MUSIC TO EAT BY!

WELL, THEY SAY "MUSIC SOOTHES THE SAVAGE..." I'LL SEND OUT A NOTICE!

SOMETIMES I DON'T THINK I'M GETTING THROUGH TO HIM!

OUR SCHOOL PSYCHIATRIST RECOMMENDS MUSIC AS AN AID TO DIGESTION!

I THOUGHT WE MIGHT INSTITUTE RECORDS IN THE LUNCH-ROOM!

SOMETHING SOFT....LIKE "THE BLUE DANUBE WALTZ"!

I HAVE A NEW ARRANGEMENT OF THAT BY BIX BEBOP!

THEN EATING SHOULD BE FOLLOWED BY MILD EXERCISE!

WE COULD DANCE TO THE MUSIC!

WELL, NOW... I...

WHY NOT? WE HAVE NOTHING TO DO UNTIL THE FIRST BELL!

WE GIRLS ARE DECORATING THE LUNCHROOM! A VISUAL AID TO DIGESTION!

WE MADE TABLE CLOTHS! ...CUTS DOWN THE NOISE OF DISHES!

BUT....

WE RAN OFF DANCE CARDS ON THE BACKS OF THE MENUS!

NOW WAIT A MINUTE!

BALLOONS! BUILDS UP THE LUNGS!

WAIT!

LUNCH PERIOD!

THE CAPTAIN AND THE KIDS

CAPTURED BY CAVE MEN AND HEADED FOR AN UNKNOWN FATE, OUR HEROES GET A SUDDEN REPRIEVE IN THE FORM OF A DINOSAUR!

VOT A BREAK! IF ONLY EFFERYBODY KEEPS BITZY FOR A COUPLE MINUTES!

MAY DER BEST MAN VIN, BUT DISS ISS NO TIME FOR REFEREING!

FUM DER LOOKS, VE STAND A BETTER CHANCE MIT DER DINOSAUR!

IN THE CONFUSION OF THE FIGHT, THE KIDS ELUDE THEIR CAPTORS!

A DRENCHING TROPICAL RAIN BURSTS UPON THEM WITHOUT WARNING.

IF VE COULD CIRCLE BACK, GET DER CANOE, UND MAYBE REACH DER OCEAN -

IT'S A LONG PADDLE HOME!

BAM! CRASH! CRACK! CRUNCH!

VOTEFFER IT ISS, I HOPE IT CAN'T CLIMB!

AS THEY PUSH DEEPER IN-TO THE JUNGLE, SOUNDS OF THE BATTLE GROW FAINT.

AND STOPS AS ABRUPTLY AS IT BEGAN. THE DARK, DRIPPING FOREST IS STRANGELY SILENT---

THE VERY GROUND SHAKES AS A THIRTY-TON MONSTER LUMBERS BENEATH THEM AND DISAPPEARS.

QUORK?

SH-H FOR DER LOUF OF MIKE!

FLOOZUM?

SKAPLOTCH!

IT IS A STROKE OF LUCK. THE BEAST'S PASSAGE HAS COVERED THEIR TRACKS - FOR THE MOMENT, AT LEAST, THE FUGITIVES HAVE THROWN OFF THEIR DOGGED PURSUERS!

STRANGE as it seems

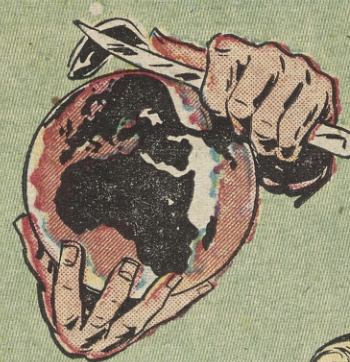

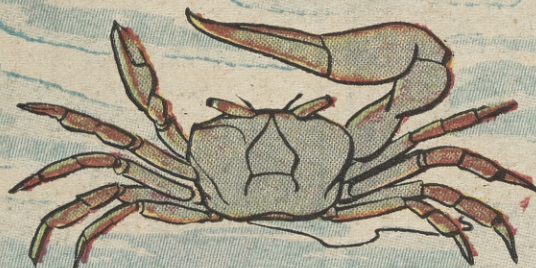

ELSIE HIX

A SPIDERLING SPINS THE SAME WEB DESIGN AS ITS MOTHER-- EVEN IF ISOLATED FROM BIRTH!

CAEDMON'S DREAM OF GOD!
AN ILLITERATE HERDSMAN OF ANCIENT BRITAIN, 1,300 YEARS AGO, DREAMED THE SCRIPTURES IN POETRY... SOME OF HIS POEMS ARE BELIEVED TO BE INCLUDED IN THE ENGLISH TRANSLATION OF THE BIBLE!

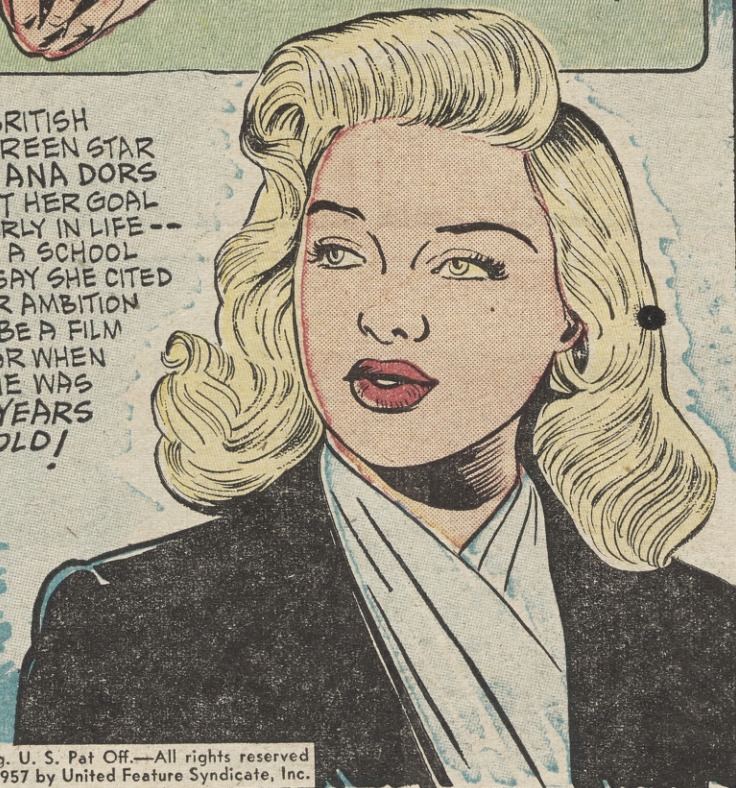

THE 600-YEAR-OLD GOTHIC DOOR AND FACADE, OF THE STRASBOURG CATHEDRAL IN ALSACE-LORRAINE, WERE BUILT BY ERWIN VON STEINBUCH AND HIS SON, WHO WORKED ON THE MASTERPIECE TOGETHER FOR 62 YEARS!

REGULAR AS CLOCKWORK, THE FIDDLER CRAB CHANGES COLOR TWICE A DAY... BY DAY ITS SKIN HAS A BLACKISH COLOR, IN THE EVENING THE SKIN BECOMES LIGHTER, BELIEVED TO BE CAUSED BY COSMIC RAYS!

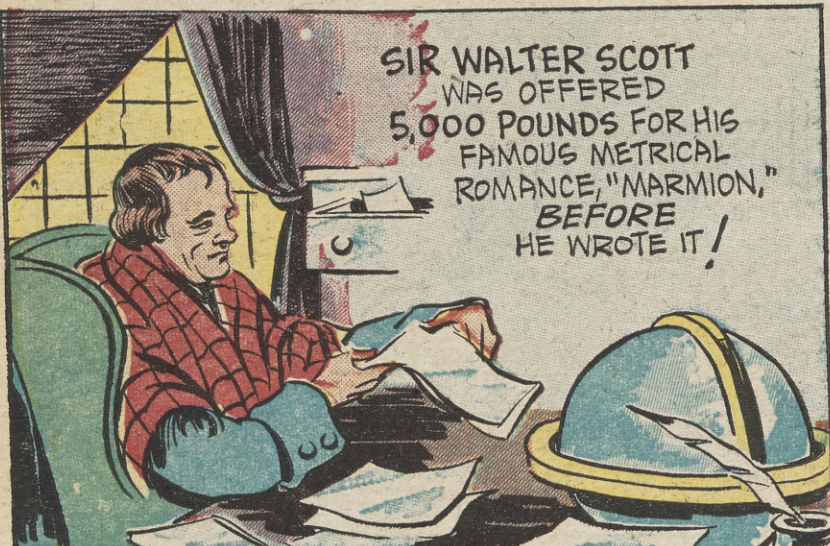

IF A TWO-MILE LAYER OF THE EARTH'S SURFACE WERE PEELED OFF-- A LAYER LESS IN PROPORTION TO THE MASS OF THE WORLD THAN THE SKIN IS TO THE MASS OF AN APPLE-- WE SHOULD ALL BE GRILLED!

BRITISH SCREEN STAR DIANA DORS SET HER GOAL EARLY IN LIFE-- IN A SCHOOL ESSAY SHE CITED HER AMBITION TO BE A FILM STAR WHEN SHE WAS 9 YEARS OLD!
